1. Information Notification & Monitoring

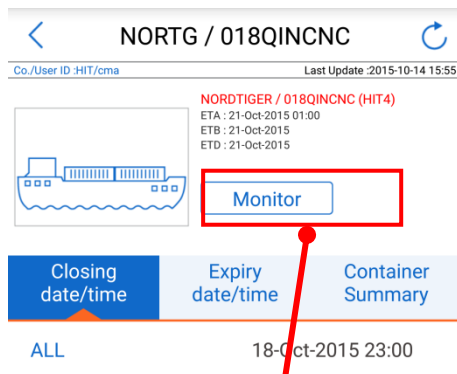

1.1. Vessel/Container Monitor

1.1.1. Setup Vessel/Container Monitor

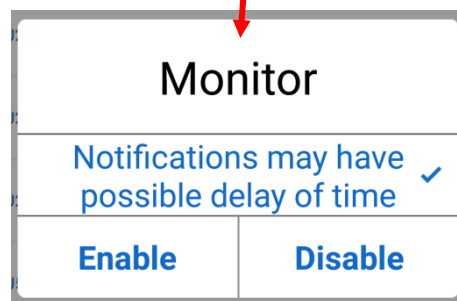

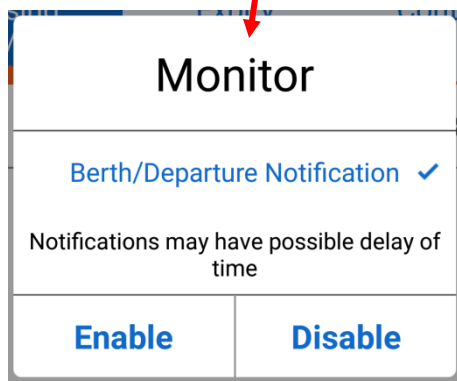

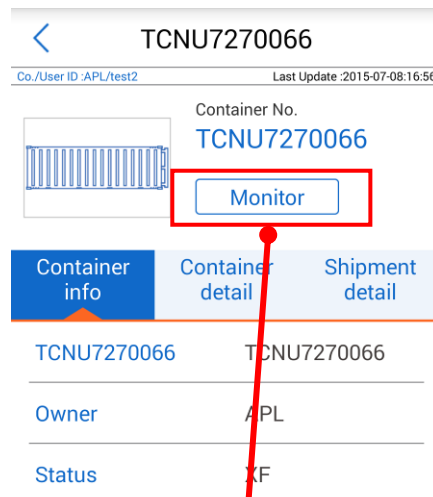

The Container/Vessel can be put onto the "Monitor" List. Any updates regarding the containers on that List will be pushed to and stored in the Users' device once released.

- 1) Press Monitor on this page.
- 2) The "Monitor" Setting Box will pop up.

- Vessel Schedule

- Container

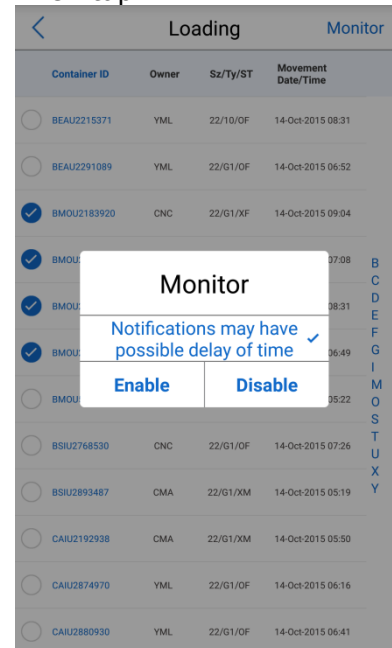

Select whether to "Enable" / "Disable" this Notification.

Or, setup one or more container(s)

At Container Detail > Container Summary > Container Summary - Hotbox/ DG / Loading / Discharge Detail (refer to **Error! Reference source not found.**)

1. First select container which you need to monitor
2. Then tap " Monitor "

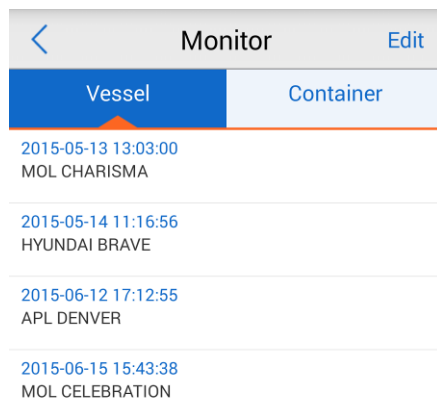

3. Select "Enable/Disable" to monitor them .

1.1.2. View Vessel/ Container Monitor

- 1) Tap the  Button at the top left of the Main Screen. This will bring up the Configuration Menu.
- 2) Select  **Monitor** to view the Lists. There are two tabs for Vessel and Container respectively:

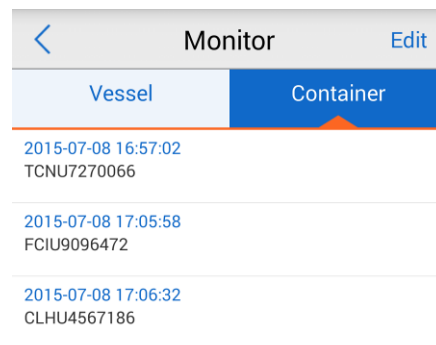

- Vessel

The screenshot shows the 'Monitor' screen with the 'Vessel' tab selected. The header includes a back arrow, the title 'Monitor', and an 'Edit' link. The table lists vessel information with timestamps and names.

Timestamp	Vessel Name
2015-05-13 13:03:00	MOL CHARISMA
2015-05-14 11:16:56	HYUNDAI BRAVE
2015-06-12 17:12:55	APL DENVER
2015-06-15 15:43:38	MOL CELEBRATION

- Container

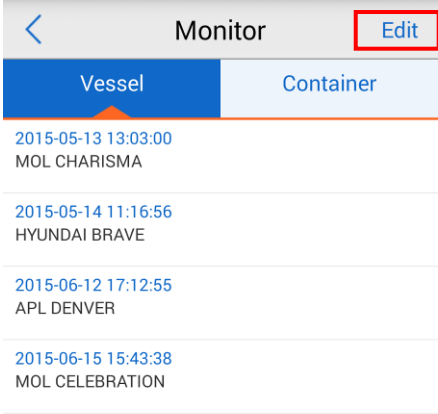

The screenshot shows the 'Monitor' screen with the 'Container' tab selected. The header includes a back arrow, the title 'Monitor', and an 'Edit' link. The table lists container information with timestamps and IDs.

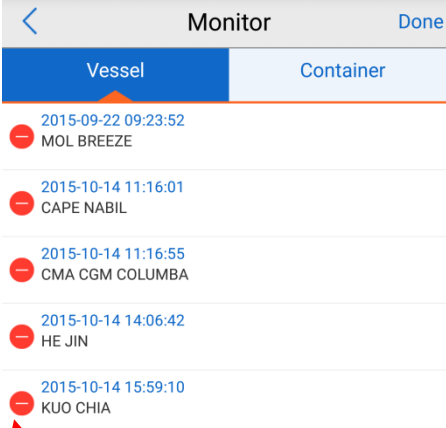

Timestamp	Container ID
2015-07-08 16:57:02	TCNU7270066
2015-07-08 17:05:58	FCIU9096472
2015-07-08 17:06:32	CLHU4567186

1.1.3. Remove Vessel/Container Monitor

Vessel/Container

1. Tap "Edit" to Edit More

2. Tap  remove Vessel/ Container Monitor

The image shows two screenshots of a mobile application interface. The left screenshot shows the 'Monitor' screen with a list of vessels and containers. The 'Edit' button is highlighted with a red box and an arrow. The right screenshot shows the 'Monitor' screen in edit mode, with a red arrow pointing to a red minus sign icon next to the vessel 'KUO CHIA'.
